September 2017

Our 2018 Theme is: **Trails R Us**

We wish to increase our attendance this year! Back Country Horsemen works diligently at local, state and federal levels to keep our trails clear for **all** users; therefore we have added venues for our different trail users to learn from including the hikers, kayakers, fisherman, hunters, bicyclists and of course equine users. From Washington DC to Klamath Falls BCH has the trail user in mind always, to protect our rights and keep our Forest open for everyone.

Attached is the booth map with changes made for this purpose (including booth number changes). Booth rates have not increased. Please read the Application and Terms and Conditions carefully. We need your application to reserve your booth space and to make sure you are in the program. Please return the enclosed application with the appropriate fees as soon as possible. As stated, after February 1, 2018 your booth may not be available.

Thursday May 3, 2018 at 7:00 p.m. we will have the Vendor Appreciation Dinner in front of the concession stand (dining area on the map). This is a **FREE** dinner and a big **THANK YOU** for attending and supporting our event.

If you would like to advertise in our program or be a sponsor for this event, log on to our website for details, or call Dennis Worden at 541-591-0965 (webmaster) or Chris Worden at 541-591-0967 (sponsor and program chair).

RV reservations can be made this year! If your RV reservation is on the application, it will be reserved; if not call Maria Meister at 831-235-3031 or email her at Maria.Meister@gmail.com to advance reserve.

Dogs are allowed at our event in your booth, but must be crated and on a leash for taking their walks.

For any questions, please call or email me. We will be using our Social Media Facebook page (see above) to advertise our vendors again this year so please give us your Facebook page name and please use ours for your page. This is a wonderful way of working together to attract more attendees.

Thank you for your cooperation and we all look forward to seeing you at our **31st year** of the Pack Expo.

Sincerely,

Jeanee Conner
